

HH u3a Reciprocal Arrangements

As you may be aware, we have reciprocal arrangements with our neighbouring u3a's, "Burgess Hill u3a" (BH) and "Hurst, Hassocks and Ditchling u3a" (HH&D) by which we can attend various meetings in each other's jurisdiction. In the same manner, their members can attend "Haywards Heath u3a" (HH) events.

This document sets out the circumstances in which these arrangements can apply without needing to enrol in the neighbouring u3a:

1. All monthly social meetings or special events are open to all.
2. If a particular interest group does not exist in HH u3a then HH members can attend up to 2 groups in the "remote" u3a that are of interest to those HH members.
3. If a group does exist in HH u3a but is full then HH members can apply to join up to 2 similar groups in BH or HH&D.

If you wish to take up either of these latter two options you should contact the relevant group leader to check that there are spaces. This can be done through their websites (see below) or by telephone. This is particularly important if the group meets in member's homes who might not appreciate strangers turning up unannounced on their doorstep.

If you have difficulty making contact then check with our Groups Coordinator who will be able to assist. Below are lists of the groups in BH and HH&D for which no exact group exists in HH u3a and that you might like to attend.
